

Autocorrelation

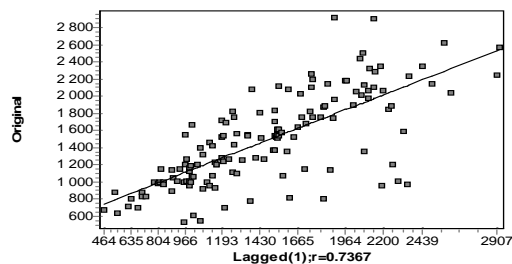

ACF (correlogram), Significance limit (top), Significance limit (bottom)

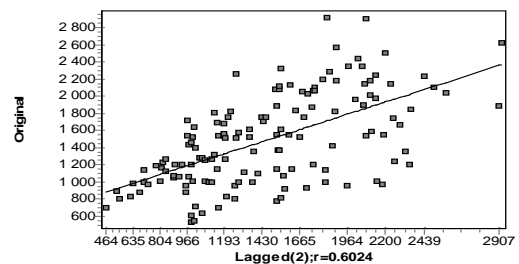

PACF (partial autocorrelation), Significance limit (top), Significance limit (bottom)

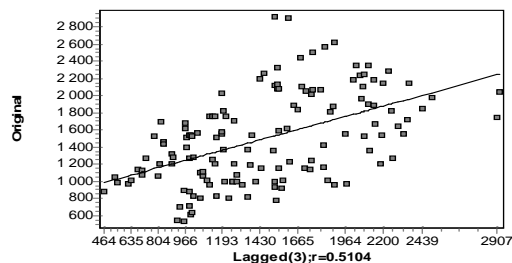

Sample correlation (lag=1), Constant(linear)

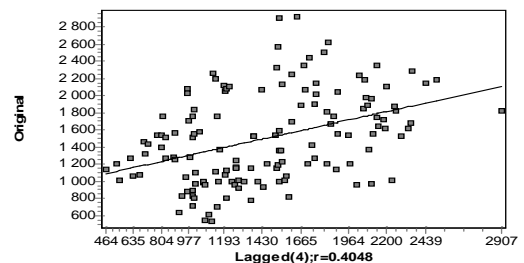

Sample correlation (lag=2), Constant(linear)

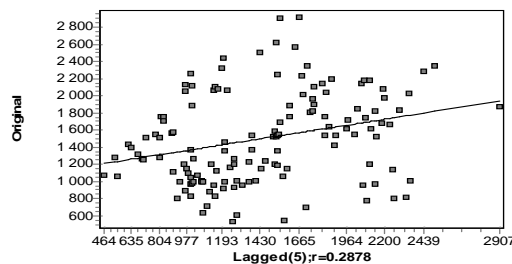

Sample correlation (lag=3), Constant(linear)

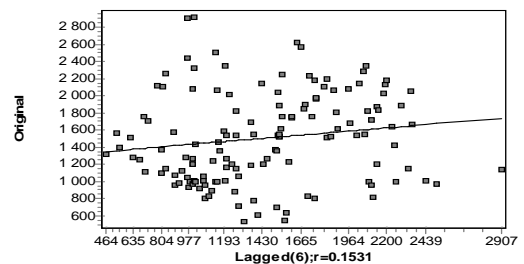

Sample correlation (lag=4), Constant(linear)

Sample correlation (lag=5), Constant(linear)

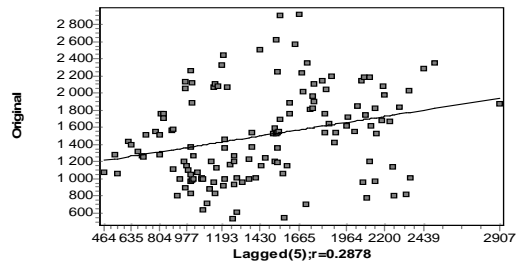

Sample correlation (lag=6), Constant(linear)

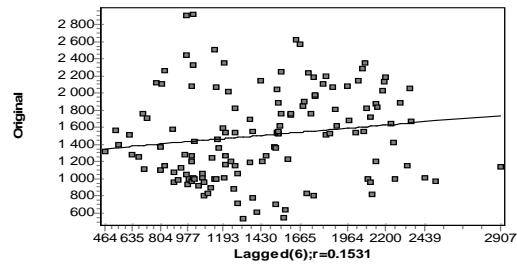

Autocorrelation

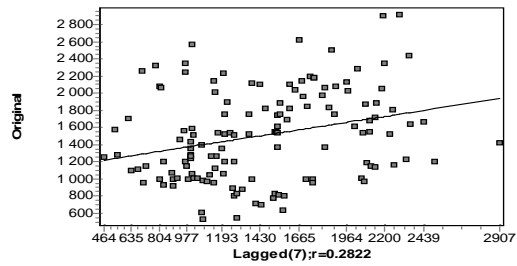

Sample correlation (lag=5),
Constant(linear)

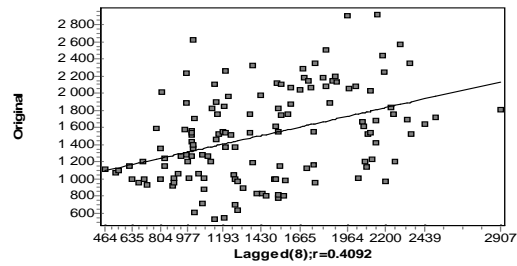

Sample correlation (lag=6),
Constant(linear)

Sample correlation (lag=7),
Constant(linear)

Sample correlation (lag=8),
Constant(linear)

Sample correlation (lag=9),
Constant(linear)
