Time Series Analyzer - Version 1.1.2 - changes

Josef Pirkl - Four Spaces - TimeSeriesAnalyzer@gmail.com
01-06/2012

New Residuals window

- For any existing model is now possible to show „Residuals" stayup window.

Others

- Added „setup.exe" install.

- Added „Licence" dialog.

- Data series with ours X values are now visible in „Statistics" window.

- Into left panel added new PayPal icons :-)

- New „Printing setting" dialog possibly called from:

  a) „Global setting" dialog
  b) „Print preview" dialog
